ICOP®

ADVANCING SURVEILLANCE TECHNOLOGY

BULLETPROOF EVIDENCE

EXTREME MOBILE SURVEILLANCE

Whether it is TRANSPORTATION, PUBLIC SAFETY or FIRST RESPONDERS the ICOP Mobile DVR's captures and delivers critical, high quality video.

ICOP Model 4000™ MDVR

The ICOP **Model 4000** digital video recorder (mobile 4 or 8 channel DVR) combines the advantages of high resolution digital video recording with shock resistant mounts and vibration tolerance to capture high quality video. The ICOP Model 4000 delivers an extensive feature list, providing full local and remote access with multi-tiered security configurations.

ICOP Model 20/20®-W

The ICOP **Model 20/20-W** is the leading digital in-car video system for law enforcement, recording high quality video in the vehicle, capable of live streaming video to other first responder vehicles and headquarters. The ICOP Model 20/20-W is loaded with features that can be found in no other in-car video system.
